

## Healthy Eating Policy

This policy is linked to

- SPHE: Taking Care of My Body - Food and Nutrition and Making Choices
- Science: Myself - Human Life Processes
- Physical Education

### **Aims of this policy:**

- To promote the personal development and well being of the child.
- To promote the health of the child and provide a foundation for healthy living in all its aspects.
- To enable the child to appreciate the importance of good nutrition for growing and developing and staying healthy.
- To enable the child to accept some personal responsibility for making wise food choices and adopting a healthy balanced diet.

### **Meal times at School**

Lunch is an important meal for school going children. It should provide one third of their recommended daily allowance of nutrients without being high in fat, sugar or salt. It should also provide dietary fibre (roughage).

In our school the children eat twice a day, before going out to play. To ensure good concentration it is important for children to drink lots of water, so please encourage your child to bring a bottle of water.

### **The Healthy Lunch Guidelines**

Children in each class were asked to discuss what they thought should be in a healthy lunch. From these discussions the following guidelines emerged.

#### ***What is a healthy lunch?***

- It is full of goodness like protein, vitamins and calcium.

- Helps our brain power

- Pitta bread, crackers
- Fruit (peeled and chopped for small children)

- Smoothies

***What drinks should not be allowed?***

- Hot drinks (in case we spill them)

***Who should make sure everyone follows the rules?***

- Our parents, because they make our lunch and should set a good example. They are responsible for our health.
- We should, because it's our health and we want to be fit and full of energy.
- Teachers, because they can see what's in our lunch boxes and know who's eating the right foods every day.
- The Principal

***What should we do when children bring in foods not allowed?***

- The children bring the food/drink home in their lunch box.

***Should we make exceptions for special occasions?***

- Yes, for treats after communion or confirmation
- Yes, for end of term parties
- No, for school trips (in case we get sick on the bus)
- No, we cannot have children's birthday parties in school.

The children of Gortskehy NS are very keen to have healthy lunches and show a good understanding of what that means. We hope these guidelines will assist everybody in making healthy choices.
